DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the closest prior art of record (Rao et al., U.S. Pat. No. 6,674,756 and Keats et al, U.S. Pat. No. 6,738,828) does not teach or suggest in detail "sending an input command message from the network manager to the router, said input command message expressed in terms of logical router partition and altering the input command message thereby the logical router partition expression is changed to the physical router expression" in combination with all the elements of the independent claims.
2. The dependent claims further limits the independent claims and are considered allowable on the same basis as the independent claims as well as for the limitations set forth.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Claims 1-20 are allowed.
